

## ATTENTION ALL **A.D.S.A.I.** MEMBERS!

It's that time of the year again!

Time to take a day and spend some quality time in executing some stress management relief 😊

Of course what better way to remove stress then playing a relaxing game of golf and taking all your frustrations out on that poor little white ball.

The Associated Detective & Security Agencies of Illinois, Inc. is hosting our annual golf outing. We encourage all members to come out and enjoy a day of relaxation in a beautiful outdoor setting.

**Remember, the purpose of the outing is to raise money for the association. We encourage all members to come out and play.** The outing also gives you a great opportunity to entertain a client or guest.

It doesn't matter if you're a competitive player or if you are a beginner, all golfers are welcome. The point is to help raise money for a good cause and have a great day with other members who share common interests. Door prizes and some nice gifts will be raffled off. Trophies and cash rewards will awarded to the winning teams. Any one will to donate prizes for the raffle will be appreciated.

If you are not interested in playing golf, we still encourage members and guests to enjoy dinner which is being served at approximately 3:00pm. Cocktails will be served from a cash bar.

A brief association meeting will be held just before dinner. We would like all members to attend.

We look forward to seeing you there and be sure to bring a guest!
